COMEDY

The Killers of Comedy: Reverend [Bob Levy](#), a comic from the Howard Stern Show, is anything but religious. But when he's joined by Sal The Stockbroker, Shuli, Yucko The Clown, Gary The Retard & Jason Stewart on Saturday night at the Aladdin Theatre, it's likely to be a night at the church of irreverent comedy. Bob is one of the funniest comedians on the circuit today, and a frequent guest on Stern's show. When it comes to working a crowd, Bob consistently works them into a frenzy! People say he's over the line, blunt, politically incorrect, and oh yeah, FUNNY. Show info [here](#).
