Stern stories

Best wishes to North Wales gas station attendant **Tom Cipriano**, better known as **Capt. Janks** to listeners of the **Howard Stern Show**, who's recuperating after having emergency surgery on a burst appendix. Janks called into Stern's Sirius Satellite Radio show yesterday to say he had an infection, but was feeling better.

* South Jersey's **Rev. Bob Levy**, a regular on Stern's show and that of 94 WYSP's **Kidd Chris**, has opened Levy's Comedy Club (6201 Bristol Pike), in the Ramada Inn in Levittown. Levy plays there Saturday along with **Beetlejuice**, wrestler **Iron Sheik** and several more comics. Stern sidekick **Artie Lange**, who also starred in the underrated "Dirty Work" with **Norm Macdonald**, will play two shows at the 200-seat club April 18-19. For tix, visit revboblevy.com.
