

## Howard Stern Comedians Visit Pittsburgh

The Reverend Bob Levy, a performer with a reverent nickname despite having an irreverent act, will headline three shows over two nights at Cefalo's Nightclub in Carnegie.

Levy, winner of "The World's Meanest Listener Contest" on The Howard Stern Show and a man who lives in his ex-wife's basement despite his comedy success, will be joined by Stern show staffers Sal "The Stockbroker" Governale and Shuli.

Ed McGonigal, a frequent guest on 93.7 K-Rock's Kidd Chris Show, will bring his diminutive frame and odd voice to the stage. Pittsburgh native and Cefalo's regular Sean Currey will also perform both evenings.
